

Inversiones Marina Golf

Our goal is to manage a global portfolio of retail investors who choose the real estate market as an optimal environment for doing business and as a safe destination for their savings.

Investors operates in more than seven countries, with an international and multidisciplinary team that meets the highest professional and profitability expectations for all its customers.

The team is made up of professionals in the fields of law, business management, and real estate to shape a project that facilitates investment in Spain and Morocco. Similarly, our legal department has specialized in processing residence permits in Spain and Morocco to foreigners through property investment (Golden Visa).

Property Management

Management of real estate assets, with an overall strategic vision, applied to optimizing the value of the portfolio of managed real estate.

Our company has professionals with over 15 years of experience, both in Spain and abroad. We are dedicated to financial advice, specializing in real estate investments.

Management Guarantee

Our after-sales service sets us apart.

IMG has as its primary goal to achieve maximum profitability for our customers. That's why we've developed a post-investment process management service that maximizes the benefits of the property until its sale, thereby achieving a double return for the investing client.

After years of activity in the Spanish Costa del Sol, IMG has a broad portfolio of short- and medium-term high- and medium-performance real estate assets, ready for execution. Our capacity ranges from large investments in hotel complexes to smaller packages for individual investors, as well as asset management and acquisition of legal residency through investment.
